Director, District Referees: Margit indicated nothing to report

Treasurer: No issues. Taxes are being done by a source known to Joe and at a substantially reduced cost.

Our banner is also in and he would coordinate with the city of Sumner and with the city of Bonney Lake to hang. Troy is also planning a work party work on the club goals. Joe is willing to transport and use his garage as a work space.

Director, Field Maintenance: Mike expressed interest in playing U8 at Crestwood as a way to set up a movement in fields to avoid conflict with the adult Latino league.

Director, In-House Coordinator: Lee indicated nothing to report.

Registrar: Aaron announced that he has found an Associate Registrar, Kathaleen Wilson. Welcome Kathaleen! He also indicated that it has been tough to get the select teams to submit their rosters and to get their teams registered. The Board agreed that the Director of Coaching needed to get proactive on this and Chris agreed to ask Rich to get this done.

President: Chris provided further insight on the direction of MRSA and gave an update on GU11 Woods. MRSA continues to see its mission as furthering the direction of MRFC but is giving thought to non-premier play. MRSA has heard from Woods but supports the actions of SSC.
